

Rock It Racing Course Sweeper Job Description and Requirements

Sweepers in Rock It Racing events play a critical role in the success of the event and in the participant experience. As such, only individuals who meet these requirements AND who have interviewed for the position will be considered:

REQUIREMENTS:

- Completed 5+ Rock It Racing events
- Volunteered / worked on the course at least twice

SWEEPER DUTIES

- Preview the course with the RD as available
- Carry course map and know the course well
- Stay with the RD during race start countdown. RD will introduce you. Leave AFTER the last person has crossed the start line
- Stay with or behind the last person in the race, and stay in touch with the start line to learn of any late starters. Find and stay with late starters. Be sure you are with the last person.
- As needed, support/pace/encourage back of the pack
- Report course position and progress to aid stations and RD
- Tell every course monitor and aid station volunteer that you are the Sweeper so they know that the last person has passed
- Clear course markings as instructed
- The sweeper leaves the course ONLY AFTER the LAST PERSON has finished

NOTES

- Sweepers take a medal ONLY IF AVAILABLE
- Sweepers must interview with the RD
